INDEPENDENT AUDITORS' REPORT

Board of Directors Gospel Missionary Union d/b/a Avant Ministries Kansas City, Missouri

Opinion

We have audited the accompanying consolidated financial statements of Gospel Missionary Union d/b/a Avant Ministries, which comprise the consolidated statements of financial position as of December 31, 2024 and 2023, and the related consolidated statements of activities and cash flows for the years then ended, and the related notes to the consolidated financial statements.

In our opinion, the consolidated financial statements referred to above present fairly, in all material respects, the consolidated financial position of Gospel Missionary Union d/b/a Avant Ministries as of December 31, 2024 and 2023, and the changes in its consolidated net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are required to be independent of Gospel Missionary Union d/b/a Avant Ministries and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Consolidated Financial Statements

Management is responsible for the preparation and fair presentation of these consolidated financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Gospel Missionary Union d/b/a Avant Ministries' ability to continue as a going concern within one year after the date that the consolidated financial statements are available to be issued.

Board of Directors Gospel Missionary Union d/b/a Avant Ministries Kansas City, Missouri

Auditors' Responsibilities for the Audit of the Consolidated Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditors' report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the consolidated financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the consolidated financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Gospel Missionary Union d/b/a Avant Ministries' internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the consolidated financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Gospel Missionary Union d/b/a Avant Ministries' ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

1. NATURE OF ORGANIZATION:

Gospel Missionary Union d/b/a Avant Ministries (Avant) is an international Christian evangelistic organization recognized as a religious order both as a church and as associated with churches of the Protestant faith. Its operations are conducted under the terms of a joint ministries agreement between Avant and Avant Ministries Canada, collectively known as Avant International. The joint ministries board is composed of all members of the U.S. and Canada boards.

Avant is a Missouri nonprofit organization classified as a 501(c)(3) religious organization by the United States Internal Revenue Service (the Code), which is other than a private foundation. As such, it is exempt from U.S. federal and state income tax, and contributions are deductible for income tax purposes.

Avant Ministries Canada (Avant-Canada) was incorporated on April 18, 1968, as a separate nonprofit religious organization not controlled by Avant. Avant-Canada provides both direct financial support and compensated workers to the joint ministries.

Avant Ministries Foundation is a Texas nonprofit organization which exists to further the purposes of Avant. It is exempt from federal income tax under section 501(c)(3) of the Code and is classified as a supporting foundation under Section 509(a)(9), which is not a private foundation under Section 509(a)(1) of the Code.

A separate LLC, was incorporated on May 2, 2023, as a nonprofit organization. As such, it is exempt from corporate income taxes. This LLC provides payroll services for Avant's international missionary employees of which Avant is the single entity owner.

Avant has been a tradition-rich missionary sending organization since its founding in 1892. As one of the oldest missionary agencies in the western world, it has had a focus on church planting with the goal of taking the Gospel of Jesus Christ to those who have not heard the good news. Avant's church planting principles are the strategic, God-enabled processes which seek to continuously shorten the time needed to develop a mature church. Avant has also developed its own set of metrics to measure the development of and maturity of the church.

Missionaries raise support for the ministry from interested churches and individuals. Avant receives approximately 54% of contributions from individuals, 30% from churches, and 16% from other organizations. Support figures are established according to cost-of-living factors and include an amount for mission administration, medical expense reimbursement, life insurance, retirement, and ministry expenses. Funds provided for the support of each individual's ministry are set apart for that purpose and disbursed in compliance with a support schedule and policies.

UFM International d/b/a Crossworld and Avant have entered into a Shared Services Alliance that allows both organizations to maintain their separate identity and structure, but share an office building and certain administrative functions.

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES:

Avant maintains its accounts and prepares its consolidated financial statements on the accrual basis of accounting in conformity with accounting principles generally accepted in the United States of America. The preparation of consolidated financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, disclosures of any contingent assets and liabilities at the date of the consolidated financial statements, and the reported revenues and expenses during the reporting period. Actual results could differ from the estimates. The significant accounting policies followed are described below to enhance the usefulness of the consolidated financial statements to the reader.

PRINCIPLES OF CONSOLIDATION

The consolidated financial statements include the transactions and balances of Avant Ministries Foundation and the LLC, which are controlled affiliated organizations of Avant. All significant intercompany balances and transactions have been eliminated.

These consolidated financial statements also report the worldwide ministries of Avant, including material assets, liabilities, net assets, revenues, and expenses of its forty-one fields of service around the world. The consolidated statements include all international and U.S. operations, which are conducted under the joint ministries agreement and all contributions from Avant-Canada for specific projects and missionary support accounts.

As disclosed in Note 12, the consolidated statements do not include the assets, liabilities, net assets, revenues, and expenses of Avant-Canada except for those contributed to Avant International as part of the joint ministries agreement.

CASH, CASH EQUIVALENTS, AND DESIGNATED CASH

Cash, cash equivalents, and designated cash consist of checking, savings and petty cash accounts. From time to time, cash deposits may exceed federally insured limits or be held in uninsured accounts. At December 31, 2024 and 2023, Avant's cash balances exceeded federally insured limits by \$1,532,515 and \$1,104,471, respectively.

As of December 31, 2024 and 2023, respectively, \$145,319 and \$131,026 of cash, cash equivalents, and designated cash were held in foreign countries which impose various restrictions. The nature of these restrictions range from prohibitions on removal of currency from the country to restrictions on the maximum amount of local currency which can be exchanged for U.S. dollars. Due to immateriality, any resulting exchange gains (losses) resulting from conversion to U.S. dollar are included in other income on the consolidated statements of activities.

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

INVESTMENTS AND ASSETS HELD IN TRUST

Investments and assets held in trust consist of mutual funds, certificates of deposit, bonds, and equity securities. Mutual funds, certificates of deposit, bonds, and equity securities have readily determinable fair values with gains and losses included as unrestricted income in the consolidated statements of activities. Donated investments are recorded at fair value on the date of donation and thereafter carried in accordance with the above provisions.

ACCOUNTS RECEIVABLE

Accounts receivable consists of advances made to missionaries whose support balances fall into a deficit position. These advances are satisfied within 120 days through submission of an approved expense report or payroll withholding. Since Avant, as the employer, can collect these advances through payroll withholding, management has determined that an allowance for credit losses is not required.

PROPERTY AND EQUIPMENT

Items capitalized as property and equipment are recorded at cost, estimated cost, or at fair market value on the date of the gift if donated. Avant capitalizes all property and equipment with a cost or value exceeding \$5,000.

Depreciation is computed on the straight-line method over the estimated useful lives of the related assets ranging from three to thirty years. Depreciation expense is allocated among program services and supporting activities expenses.

DEFERRED REVENUE

Avant entered into a services consolidation agreement (shared services) and a corresponding prepaid lease agreement with a similar 501(c)(3) organization, Crossworld, on March 9, 2009. The lease agreement included a construction cost recovery paid to Avant by Crossworld, that will be recognized, on a straight-line basis, as revenue by Avant over the lease term of forty years commencing upon Crossworld's occupancy in February 2011. The unrecognized portion is reflected as deferred revenue. The recognized portion is recorded as other income. The lease agreement is cancellable at any time by either party with a two year written notice.

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

TRUST LIABILITIES

As trustee, Avant administers irrevocable trusts, including charitable remainder unitrusts. These trusts provide the payment of lifetime distributions to the grantor or other designated beneficiaries. The present value of the income interests are reported as trust liabilities using a discount rate of 5% and mortality tables. For trusts with a term of years, thus meeting the definition of a derivative financial instrument, as described in the paragraph above, the liability for the trust is computed using the current market rate instead of the rate at inception. At the death of the lifetime beneficiaries, the trusts provide for the distribution of assets to designated remaindermen. The present value of the remainder interest of Avant is reported as contributions with donor restrictions in the period received, net assets with donor restrictions, and as a reclassification to net assets without donor restrictions when the trust matures. Certain trusts contain provisions to distribute assets to remaindermen other than Avant. The portion attributable to others is reflected as a part of trust liabilities on the consolidated statements of financial position.

REVOCABLE AGREEMENTS

Avant has entered into agreements with individuals whereby money or other property is provided to Avant as a revocable loan agreement upon which a stated amount of interest is paid to the donor or other indicated recipient during their lifetimes. At the individual's death, the balance of the obligation is recorded as contribution income. The liability for these agreements is shown on the consolidated statements of financial position. Assets funding revocable agreements are included with the operating assets of Avant.

CLASSES OF NET ASSETS

Net assets without donor restrictions are those resources designated by the board for specific purposes and those currently available for use in the international ministries of Avant under the direction of the board or resources invested in property and equipment.

Net assets with donor restrictions are those resources stipulated by donors for specific operating purposes or for the acquisition of property and equipment or not currently available for use until commitments regarding their use have been fulfilled or lifetime beneficiary interests have ceased.

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

SUPPORT, REVENUE, AND EXPENSES

Revenue is recognized when earned and support when contributions are made, which may be when cash is received, unconditional promises are made, or ownership of other assets is transferred to Avant. Field revenue is recognized when earned, generally when the program or camp is complete. Sales are recognized when goods are shipped or otherwise delivered to customers. There were no contract assets or liabilities as of December 31, 2024 or 2023, related to contracts with customers.

Avant reports gifts of cash and other assets as restricted support if they are received with donor stipulations that limit the use of the donated amounts. When a stipulated time restriction ends or purpose restriction is satisfied, net assets with donor restrictions are reclassified to net assets without donor restrictions and reported in the consolidated statements of activities as net assets released from restrictions.

Donor restricted contribution income is subject to an assessment fee ranging from eleven and a half percent (11.5%) to fourteen percent (14%), depending on length of service, which is used for general and administrative and fundraising expenses. These assessments are reclassified from net assets with donor restrictions to net assets without donor restrictions at the time the contribution is received.

Avant receives indications of intent to support ministries that are commitments to provide monthly, quarterly, or annual gifts of a specified amount. These commitments are open-ended and subject to unilateral change by the donor. Because the commitments do not express a term or period, the amount of the commitment is not measurable. Considering these factors, the commitments are not considered to be unconditional promises to give and are not recognized prior to receipt of the contribution.

Avant reports gifts of property and equipment as unrestricted support unless explicit donor stipulations specify how the donated assets must be used. Absent explicit donor stipulations about how long those long-lived assets must be maintained, Avant reports expirations of donor restrictions when the donated or acquired long-lived assets are placed in service.

Contributed services, recognized as contributions, consist of salaries, benefits, and ministry expenses paid by the Canadian office to overseas workers who have been put under the direction of the International Office in Kansas City as part of the Joint Ministries agreement.

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES, continued:

ALLOCATION OF EXPENSES

The costs of providing the various program services and supporting activities of Avant have been summarized on a functional basis in the consolidated statements of activities. Accordingly, certain costs have been allocated among the program services and supporting activities benefited.

Joint costs that include fundraising appeals or activities are:

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

5. PROPERTY AND EQUIPMENT–NET, continued:

Depreciation in the amounts of \$351,520 and \$377,580 has been allocated to program services and supporting activities in the consolidated statements of activities for the years ended December 31, 2024 and 2023, respectively.

Management has reviewed the assets in other countries and, in its opinion, determined they are under control and ownership of Avant. While such items are recognized as assets of Avant, it should be noted that the political situation in many other countries is subject to rapid change. Therefore, the reader should be aware that while Avant believes the assets are properly stated at the date of this report, subsequent changes could occur that would adversely affect the realizable value of the assets in other countries.

6. <u>ANNUITIES PAYABLE:</u>

Avant has established a gift annuity program whereby donors may contribute assets to Avant in exchange for the right to receive a fixed dollar annual return during their lifetime. The difference between the amount provided for the gift annuity and the present value of the liability for future payments, determined on an actuarial basis, is recognized as a contribution without donor restrictions at the date of the gift. This portion is considered to be a charitable contribution for income tax purposes. Assets funding the annuity liability are included in the operating assets of Avant.

The annuity liability is revalued annually based upon actuarially computed present values, and the resulting actuarial gain or loss (\$20,458 gain in 2024 and \$9,650 gain in 2023) is recorded as unrestricted other income. Income earned on annuity investments and distributions paid are credited and charged against unrestricted income unless the annuity agreement stipulates to the disposition of any remaining actuarial value. Change in value of annuities has not been disclosed due to immateriality.

7. <u>EMPLOYEE RETENTION CREDIT:</u>

Avant claimed a tax credit of \$334,492 through the Employee Retention Credit program offered through the Coronavirus Aid, Relief, and Economic Security (CARES) Act. The credit is claimed in relation to qualified wages owed for the year ended December 31, 2021. The full amount of the credit was recognized as grant revenue within the consolidated statements of activities for the year ended December 31, 2023.

Laws and regulations concerning government programs, including the ERC, established by the CARES Act are complex and subject to varying interpretation. Claims made under the CARES Act may also be subject to retroactive audit and review. While management believes Avant has met the required conditions for receipt of this credit, there can be no assurance that regulatory authorities will not challenge Avant's claim to the ERC, and it is not possible to determine the impact (if any) this would have upon Avant.

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

8. <u>NET ASSETS:</u>

Net assets consist of:

	December 31,					
	2024	2023				
Net assets without donor restrictions:						
Operating	\$ 13,050,295	\$ 11,340,390

	\$ 27,438,017	\$ 25,452,451				

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

9. FUNCTIONAL ALLOCATION OF EXPENSES:

The consolidated financial statements report certain categories of expenses that are attributable to more than one program or supporting function. Therefore, these expenses require allocation on a reasonable basis that is consistently applied. The expenses allocated include salaries and benefits, which are allocated based on an estimate of time and effort, depreciation, which is allocated based on a square footage basis, and all other categories, which are allocated based on a detailed estimate of expenses making up each account within each respective category.

The following table presents the consolidated functional allocation of expenses for the year ended December 31, 2024:

	Program	G	eneral and	and		
	Services	Ad	Administrative		undraising	Total

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

10. LIQUIDITY AND AVAILABILITY OF RESOURCES:

The following reflects Avant's financial assets as of December 31, 2024 and 2023, reduced by amounts not available for general use because of contractual or donor-imposed restrictions or because the governing board has set aside the funds for specific contingency reserves and projects within one year of the balance sheet date. These board designations could be drawn upon if the board approves that action.

	December 31,				
		2024		2023	
Financial assets:					
Cash and cash equivalents	\$	873,188	\$	_	
Cash held for board designations		2,264,421		2,455,242	
Investments		19,573,161		17,758,807

Accounts receivable		398,990		224,035	
Assets held in trust		619,884		609,660	
Financial assets, at year-end		23,729,644		21,399,752	
Less those unavailable for general expenditures within one year due to donor imposed restrictions Less those unavailable for general expenditures within one year, due to	. .	(2,349,045)		(2,286,464)	
Board designated reserves for future capital projects	٠.	(684,712)		(728,684)	
Board designated reserves for life insurance		(1,021,219)		(921,914)	
Board designated reserves for self insured medical program		(3)		(659,338)	
Board designated reserves for training center maintenance		(423,029)		(381,056)	
Board designated reserves for ministry activities		(135,458)		(116,258)	
Investments held for revocable agreements		(138,742)		(136,060)	
Assets held in trust		(619,884)		(609,660)	
		(5,372,092)		(5,839,434)	
Financial assets available to meet cash needs for general					
expenditures within one year	\$	18,357,552	\$	15,560,318	

Avant is substantially supported by contributions primarily with donor-imposed restrictions for missionary and field project support. Those contributions with donor restrictions require resources to be used in a particular manner or in a future period. Avant must maintain sufficient resources to meet those responsibilities to its donors. Thus, financial assets may not be available for general expenditure within one year. For the years ended December 31, 2024 and 2023, Avant has \$12,123,301 and \$11,304,811, respectively, in net assets with donor restrictions, of which \$9,774,256 and \$9,018,347, respectively, is considered available to meet needs for general expenditures within one year. As part of Avant's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due.

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

11. EMPLOYEE BENEFIT PLANS:

RETIREMENT PLAN

Avant has established a retirement assistance program, administered by a life insurance company, covering all full-time U.S. employees, including missionaries and headquarters staff. The plan qualifies for federal tax benefits under Section 403(b) of the Internal Revenue Code. Contributions to the plan are made by Avant in the amount of \$200 per month, per employee, and may be directed to an after-tax deferred annuity account for employees subject to the foreign earned income exclusion. Employees may also make voluntary contributions to the plan under a salary reduction agreement. Employer contributions to the plan for the years ended December 31, 2024 and 2023, were \$734,206 and \$905,832, respectively.

MEDICAL PLAN

The medical assistance program covers medical, hospital, dental, and optical costs, with certain limits, for all currently active members. All retired members are offered supplementary coverage through Medicare provided they pay premiums covering additional costs that Medicare does not cover. Avant has purchased stoploss insurance coverage for claims in excess of \$185,000. The number of units covered under this program were 485 and 491 for the years ended December 31, 2024 and 2023, respectively. As of January 31, 2023, Avant converted its medical plan to a fully insured plan, ending its relationship with the stop-loss provider. The amount of paid claims for the years ended December 31, 2024 and 2023, were \$264,275 and \$303,687, respectively. Medical claims payable, including claims incurred but not reported of \$44,046 and \$50,615 as of December 31, 2024 and 2023, respectively, are included in accounts payable.

DEATH BENEFIT PLAN

A death benefit of \$50,000 for active members under age 65, \$25,000 for active members ages 65 through 69, and \$10,000 for all active members or retired members aged 70 and older is provided to all active missionaries and is available to retirees choosing to participate in the plan.

12. RELATED ENTITIES:

As a participant in the joint ministries agreement, Avant-Canada provided contributions of \$424,233 and \$387,834 (in U.S. dollars) and contributed services of \$1,904,830 and \$1,867,936, totaling \$2,329,063 and \$2,225,770, to Avant for the years ended December 31, 2024 and 2023, respectively. Contributed services consist of salaries, benefits, and ministry expenses paid by the Canadian office to overseas workers who have been put under the direction of the International Office in Kansas City as part of the Joint Ministries agreement.

Avant also received \$99,343 and \$35,760 of contributions from donors for Canadian missionaries during the years ended December 31, 2024 and 2023, respectively. These amounts were granted to Avant-Canada and are included in program services on the consolidated statements of activities.

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

13. FAIR VALUE MEASUREMENTS:

The Fair Value Measurements and Disclosure topic of the FASB Accounting Standards Codification establishes a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. This hierarchy consists of three broad levels: Level 1 inputs consist of unadjusted quoted prices in active markets for identical assets and have the highest priority, Level 2 inputs consist of observable inputs other than quoted prices for identical assets, and Level 3 inputs have the lowest priority. Avant uses appropriate valuation techniques based on the available inputs to measure the fair value of its investments. When available, Avant measures fair value using Level 1 inputs because they generally provide the most reliable evidence of fair value. Level 3 inputs are only used when Level 1 or Level 2 inputs are not available.

The following table presents the fair value measurements of assets and liabilities recognized in the accompanying consolidated statements of financial position measured at fair value on a recurring basis and the level within the fair value hierarchy in which the fair value measurements fall at December 31, 2024 and 2023:

		Fair Value Measurements Using:				
	_	Q	uoted Prices		_	
			in Active	Significant Unobservable		
		N	Markets for			
		Ide	entical Assets	Inputs (Level 2)		
	 Total		(Level 1)			
December 31, 2024:						
Investments:						
Certificates of deposit	\$ 5,090,746	\$	-	\$	5,090,746	
Corporate bonds	3,894,848		-		3,894,848	
Common stock	4,851,682		4,851,682		-	
Equity mutual funds	 5,735,885		5,735,885			
	\$ 19,573,161	\$	10,587,567	\$	8,985,594	
Assets Held in Trust:						
Equity mutual funds	\$ 391,157	\$	391,157	\$	_	
Fixed income mutual funds	 211,522		211,522			
	\$ 602,679	\$	602,679	\$		

Notes to Consolidated Financial Statements

December 31, 2024 and 2023

13. FAIR VALUE MEASUREMENTS, continued:

	_	Fair Value Measurements Using: Quoted Prices			
		in Active		Significant	
		Markets for Identical Assets		Unobservable Inputs	
	 Total		(Level 1)	(Level 2)	
December 31, 2023:					
Investments:					
Certificates of deposit	\$ 4,862,119	\$	-	\$	4,862,119
Corporate bonds	3,725,841		-		3,725,841
Common stock	4,214,268		4,214,268		-
Equity mutual funds	 4,919,070		4,919,070		
	\$ 17,721,298	\$	9,133,338	\$	8,587,960
Assets Held in Trust:					
Equity mutual funds	\$ 369,962	\$	369,962	\$	-
Fixed income mutual funds	 218,236		218,236		
	\$ 588,198	\$	588,198	\$	_

Valuation techniques: Fair values for common stock and mutual funds are based on quoted market prices or dealer quotes. Fair values for certificates of deposit, corporate, and government bonds are based on yields currently available on comparable securities of issuers with similar credit ratings.

14. <u>LEGAL MATTER:</u>

Avant was named as a co-defendant in a civil suit filed during 2023. An estimate of loss, if any, cannot be made as of the date of these consolidated financial statements.

15. SUBSEQUENT EVENTS:

Subsequent events have been evaluated through May 7, 2025, which represents the date the consolidated financial statements were available to be issued. Subsequent events after that date have not been evaluated.

SUPPLEMENTARY SCHEDULES

INDEPENDENT AUDITORS' REPORT ON SUPPLEMENTARY SCHEDULES

Board of Directors Gospel Missionary Union d/b/a Avant Ministries Kansas City, Missouri

We have audited the consolidated financial statements of Gospel Missionary Union d/b/a Avant Ministries as of and for the years ended December 31, 2024 and 2023, and our report thereon May 7, 2025, which expresses an unmodified opinion on those consolidated financial statements, appears on page 1. Our audits were conducted for the purpose of forming an opinion on the consolidated financial statements as a whole. The comparative statements of financial position and activities are presented for purposes of additional analysis and are not a required part of the consolidated financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the consolidated financial statements. The information has been subjected to the auditing procedures applied in the audit of the consolidated financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the consolidated financial statements or to the consolidated financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated in all material respects in relation to the consolidated financial statements as a whole.

We have also previously audited, in accordance with auditing standards generally accepted in the United States, the consolidated statements of financial position of Avant Ministries as of December 31, 2022 and 2021, and the related consolidated statements of activities and cash flows for the years then ended; and we expressed unmodified opinions on those consolidated financial statements. In our opinion, the financial information from those years, included on the following pages, is fairly stated in all material respects in relation to the consolidated financial statements from which it has been derived.
